

3 DEDICATED EVENT SPACES ON LEVEL 2

Located on Level 2 of Campbell's Stores, Watersedge offers 3 exclusive function rooms, the Hickson Room, the Harbour Room and the Opera Room.

Our light-filled event spaces are beautifully appointed with a unique mix of heritage features and modern infrastructure, as well as the best views of Sydney Harbour.

Each room can cater for up to 120 guests on long tables or up to 132 guests on oval tables.

There are two adjoining bays in every function room: The Pre-Function Space can be used for arrival drinks and canapes before guests adjourn to the Event Space for a delectable meal prepared by our chefs.

Guests can access your reception through one of the building's entrances on Hickson Road.
